MEMORANDUM FOR COMMANDERS, MAJOR SUBORDINATE COMMANDS AND DISTRICT COMMANDS, CHIEFS, CONSTRUCTION-OPERATIONS DIVISIONS

SUBJECT: Challenge Partnership Handshake Program – 2005 Recipients

1. It is my pleasure to announce the successful recipients for the Challenge Partnership Handshake Program. Much like Lewis and Clark, these endeavors will forge new relationships and open new paths to partnering. Your initiative helps the U.S. Army Corps of Engineers send a significant message to our partners that we are serious about our philosophy that partnering is a handshake, not a handout.
2. As a pioneer in this new program, I wish these partnering efforts the greatest success. As a leader among your peers, they will set the tone that partnering is an invaluable tool and the smart way to do business. I look forward to hearing these success stories!
3. My point of contact for this effort is Mr. Jeff Boutwell, SWF, Partnership PDT program manager, and he will be in touch with the projects with additional details. He can be reached at (254) 379-3637, if there are any questions.

FOR THE COMMANDER:
